5 Pronouns

5.1 Personal

5.1.1 Child

	singular	dual	plural
1st person	jana	janna	juu
2nd person	kurru	kunii	kurlu
3rd person	nnarta	nnaja	nni

5.1.2 Adult

	singular	dual	plural
1st person	wa	ja	waya
2nd person	ku	kuna	kuu
3rd person	nna	nnara	nnaa

5.1.3 Inanimate

	singular	dual	plural
3rd person	nnu	nnuka	nnunnu

5.2 Possessive

Possessive pronouns are formed through a suffix placed on the relevant personal pronoun, but only for the child and adult genders. For possession by elders, see ???. Inanimate objects cannot be possessive.

Child: add *ra* to relevant personal pronoun in first and second person and *raa* in third person. **Adult:** add *lu* to relevant personal pronoun.

5.3 Interrogative

meaning	word
where	kiru
when	tuu
who, what	pii
how	piima
why	wiirtak
how many	kirta

5.4 Demonstrative

meaning	singular	dual	plural
there	naarla	naarla	naarla
then	ya:ji	ya:ji	ya:ji
that (animate)	yanna	yannara	yannaa
that (inanimate)	yannu	yannuka	yannunnu

5.5 Indefinite

Append the following to the relevant interrogative pronoun:

number	word
none	nnayi
singular	junga
dual	marri
plural	munaa
all	nnaya

6 Syntax

6.1 Alignment

All animate pronouns: subject of transitive and intransitive verbs are nominative, object is accusative.

Other: subject of transitive is ergative, subject of intransitive and object of transitive are nominative.
